

T Series Garden Tractor

T50

T Series tractors feature a push-button controlled power take-off for driving accessories

Heavy duty cast axle adds strength, enabling the tractor to withstand the stresses of uneven terrain

Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position

The T50 is a fully specified Westwood with a single cylinder 500cc Briggs & Stratton engine. With a smaller 97cm (38") XRD cutter deck, the T50 is perfect for gardens with around one acre of lawn to cut or where there are specific limitations for access.

A power take-off allows you to drive accessories such as the Powered Grass Collector, Broadcast Spreader or Powered Scarifier.

OUR PRICE £3285.00 inc VAT

	ENGINE	TRANSMISSION	STANDARD CUTTER DECK	HIGH GRASS MULCH DECK	OPTIONAL POWERED GRASS COLLECTOR CAPACITY
T50	Briggs & Stratton Single cylinder 500cc	Hydrostatic	97cm (38") XRD rear discharge	N/A	300 litres

FEATURES	BENEFITS
Cut and collect system	✓ Cut and collect grass fully even when it's wet using the optional Powered Grass Collector
	✓ Stripe a lawn with the optional grass collector's integrated roller
Premium quality engines	✓ T50 tractors use single cylinder 500cc Briggs & Stratton engines. These are selected for their power, economy and durability
Heavy duty construction	✓ Extra strong cast axle with useful tie-down points
	✓ Painted components have surpassed 500 hours of continuous salt spray exposure without corrosion
	✓ The tractor is protected from accidental impact damage by the tough tubular bullbar bolted to the tractor's chassis
	✓ Low noise operation is a result of the double skinned bonnet which reduces engine noise, and the cutting and collection system which minimises air disturbance from the cutting blades, reducing unwanted sound
	✓ Strong, durable single pressed body
Dashboard / Display / Operating Management System (OMS)	✓ Regularly used controls are at your fingertips thanks to the ergonomic dashboard layout
	✓ Warnings and indicators are visible at all times on the simple-to-use dashboard display.
Power take-off	✓ Drive a range of accessories for year-round garden care by using the push-button controlled power take-off
Choice of decks	✓ Standard deck is a 97cm (38") rear discharge XRD. Consult your dealer for other options
Easy access	✓ Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position
Park brake	✓ The tractor cannot be started unless the brake is engaged. This safety device is fitted as standard on all Westwood models
Easy-to-use pedals and levers	✓ Pedals and levers are positioned within easy reach of the operator and have been engineered to be lightweight-to-use
	✓ Deck height adjustment is light, smooth and easy-to-use thanks to a clever gearing system through nine incremental settings
Hydrostatic transmission	✓ One pedal controls forward speed. Press it further and your speed increases. Release it and you slow down
