

T Series Garden Tractor

T60

T Series tractors feature a push-button controlled power take-off for driving accessories

Heavy duty cast axle adds strength, enabling the tractor to withstand the stresses of uneven terrain

Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position

Powered by
Kawasaki

A mid-range garden tractor, highly capable for most applications. The new T60 garden tractor is the 'stalwart' of the Westwood range. It is ideal for customers with a large garden who don't want to compromise the quality of finish for the convenience of a ride-on lawnmower.

Fitted with a 107cm (42") XRD cutter deck, the T60 can operate in conjunction with the optional Powered Grass Collector or as a rough cutter. To tackle dense grass, brambles or nettles, configure the T60 with a 92cm (36") High Grass Mulching deck.

OUR PRICE £4049.10 inc VAT

| | ENGINE | TRANSMISSION | STANDARD CUTTER DECK | HIGH GRASS MULCH DECK | OPTIONAL POWERED GRASS COLLECTOR CAPACITY |
|------------|--|--------------|-----------------------------------|-----------------------|---|
| T60 | Kawasaki FS481V Twin cylinder 603cc | Hydrostatic | 107cm (42") XRD rear discharge | 92cm (36") | 300 litres |

| FEATURES | BENEFITS |
|--|---|
| Cut and collect system | ✓ Cut and collect grass fully even when it's wet using the optional Powered Grass Collector |
| | ✓ Stripe a lawn with the optional grass collector's integrated roller |
| Premium quality engines | ✓ T60 tractors use premium spec twin cylinder Kawasaki engines. These are selected for their power, economy and durability |
| Heavy duty construction | ✓ Extra strong cast axle with useful tie-down points |
| | ✓ Painted components have surpassed 500 hours of continuous salt spray exposure without corrosion |
| | ✓ The tractor is protected from accidental impact damage by the tough tubular bullbar bolted to the tractor's chassis |
| | ✓ Low noise operation is a result of the double skinned bonnet which reduces engine noise, and the cutting and collection system which minimises air disturbance from the cutting blades, reducing unwanted sound |
| | ✓ Strong, durable single pressed body |
| Dashboard / Display / Operating Management System (OMS) | ✓ Regularly used controls are at your fingertips thanks to the ergonomic dashboard layout |
| | ✓ Warnings and indicators are visible at all times on the simple-to-use dashboard display. |
| Power take-off | ✓ Drive a range of accessories for year-round garden care by using the push-button controlled power take-off |
| Choice of decks | ✓ Standard deck is a 107cm (42") rear discharge XRD. Use the optional 92cm (36") HGM deck for cutting tall grass and nettles |
| Easy access | ✓ Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position |
| Park brake | ✓ The tractor cannot be started unless the brake is engaged. This safety device is fitted as standard on all Westwood models |
| Easy-to-use pedals and levers | ✓ Pedals and levers are positioned within easy reach of the operator and have been engineered to be lightweight-to-use |
| | ✓ Deck height adjustment is light, smooth and easy-to-use thanks to a clever gearing system through nine incremental settings |
| Hydrostatic transmission | ✓ One pedal controls forward speed. Press it further and your speed increases. Release it and you slow down |
