

## T Series Garden Tractor

# T80

*T Series tractors feature a push-button controlled power take-off for driving accessories*

*Heavy duty cast axle adds strength, enabling the tractor to withstand the stresses of uneven terrain*

*Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position*

Powered by  
**Kawasaki**

The T80 is the largest tractor in Westwood's T Series range. Equipped with a Kawasaki FR541V twin-cylinder engine, the T80 has abundant power to drive either a 122cm (48") XRD or 92cm (36") High Grass Mulching deck with ease.

A larger cutter deck means faster mowing with less passes required to complete the job. The optional 300 litre Powered Grass Collector is large enough to ensure that you can keep mowing without constant stops to empty the clippings.

**OUR PRICE £4455.00 inc VAT**

| <b>T80</b> | Kawasaki FR541V<br>Twin cylinder 603cc | Hydrostatic  | 122cm (48")<br>XRD rear discharge | 92cm (36")            | 300 litres                                |

| FEATURES   | BENEFITS  |
|--|---|
| <b>Cut and collect system</b>                                  | ✓ Cut and collect grass fully even when it's wet using the optional Powered Grass Collector   |
|  | ✓ Stripe a lawn with the optional grass collector's integrated roller   |
| <b>Premium quality engines</b>                                 | ✓ T80 tractors use premium spec twin cylinder Kawasaki engines. These are selected for their power, economy and durability  |
|  | ✓ Extra strong cast axle with useful tie-down points  |
| <b>Heavy duty construction</b>                                 | ✓ Painted components have surpassed 500 hours of continuous salt spray exposure without corrosion   |
|  | ✓ The tractor is protected from accidental impact damage by the tough tubular bullbar bolted to the tractor's chassis   |
|  | ✓ Low noise operation is a result of the double skinned bonnet which reduces engine noise, and the cutting and collection system which minimises air disturbance from the cutting blades, reducing unwanted sound |
|  | ✓ Strong, durable single pressed body   |
| <b>Dashboard / Display / Operating Management System (OMS)</b> | ✓ Regularly used controls are at your fingertips thanks to the ergonomic dashboard layout   |
|  | ✓ Warnings and indicators are visible at all times on the simple-to-use dashboard display.  |
| <b>Power take-off</b>  | ✓ Drive a range of accessories for year-round garden care by using the push-button controlled power take-off  |
| <b>Choice of decks</b>   | ✓ Standard deck is a 122cm (48") rear discharge XRD. Use the optional 92cm (36") HGM deck for cutting tall grass and nettles  |
| <b>Easy access</b>   | ✓ Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position  |
| <b>Park brake</b>  | ✓ The tractor cannot be started unless the brake is engaged. This safety device is fitted as standard on all Westwood models  |
| <b>Easy-to-use pedals and levers</b>                           | ✓ Pedals and levers are positioned within easy reach of the operator and have been engineered to be lightweight-to-use  |
|  | ✓ Deck height adjustment is light, smooth and easy-to-use thanks to a clever gearing system through nine incremental settings   |
| <b>Hydrostatic transmission</b>                                | ✓ One pedal controls forward speed. Press it further and your speed increases. Release it and you slow down   |
